KEROSENE OIL-high test, best quality.

Having made arrangements to import direct from first hands, we are now prepared to offer the best off in the market (150°) at favorable rates. This oil is brought from the East to San Francisco by railroad, in cars owned by the Company, and the great loss from leakage and deterioration is avoided. The oil is put up in Cans and Barrels. In the latter form it will be found a great convenience to families and retailers. The barrels are lined with heavy tin, and are provided with a convenient faucet. No leakage, and no charge for containers which are returnable when empty. We can also supply low test Oils, guaranteed to pass the Government Test, at reduced rates,
